Fort Campbell Community Strengths and Themes Assessment 2014

(completed every two years)

The Community Themes and Strengths Assessment answers the questions: "What is important to our community?" "How is quality of life perceived in our community?" and "What assets do we have that can be used to improve community health?" This assessment results in a strong understanding of community issues and concerns, perceptions about quality of life, and a map of community assets.

October 2014
Total number of responses collected: 2032

Your perceptions of the environment:
67% answered “Our environment is healthy/somewhat healthy”.

Most useful Services:
Dining Facilities, Education Center, Health Clinics

Overall functioning of the services and programs on post:
43.4% answered “Good”

Personal Health Status:
67% answered “good/excellent health

Three most important factors for a healthy community:
Low crime/safe neighborhoods
Access to health care
Good jobs and healthy economy

Risky Behaviors:
Alcohol abuse, Drug abuse, Distracted driving

Most important health problems:
Alcohol and other drug abuse, Depression
Overweight/obesity

Are you aware of programs/serv
69.3% answered “somewhat/very”

Do you participate in programs:
60% answered “no”

Did you know there is a Community Resource Guide:
43.0% answered “yes, but haven’t used it”

How useful was the Community Resource Guide:
62% answered “useful/very useful”
http://www.campbell.army.mil/SiteAssets/FTCKY_CRG_JAN15.pdf

Are your spiritual needs being met:
32% do not participate, 39.4% say Somewhat/very satisfied

Fort Campbell Community Strengths and Themes Assessment 2014
(completed every two years)

The review of community needs assists the identification of priorities for the Community Health Promotion Council. The results of the CSTA are briefed at the CHPC meeting and are included in the CHPC strategic plan. Additionally, these results help guide working groups in the development of action plans.

Specifically, with the 2014 CSTA results:

- Additional emphasis was placed on preventing alcohol and drug abuse by changing the hours alcohol is sold on post, increasing DUI checks, and command emphasis on random drug testing

- The Spiritual Fitness Inventory was conducted this summer in an effort to develop a base line of spiritual fitness and help guide the working group's efforts

- The Army Wellness Center building was identified and is in the implementation process

- The Physical WG focused efforts on nutrition including positive changes to the dining facility, cooking classes for single soldiers, and scheduling the Military Nutrition Environment Assessment Tool to be accomplished in FY16.

- Programs and Services are highlighted in multiple forums, marketed consistently, and encouraged by command.

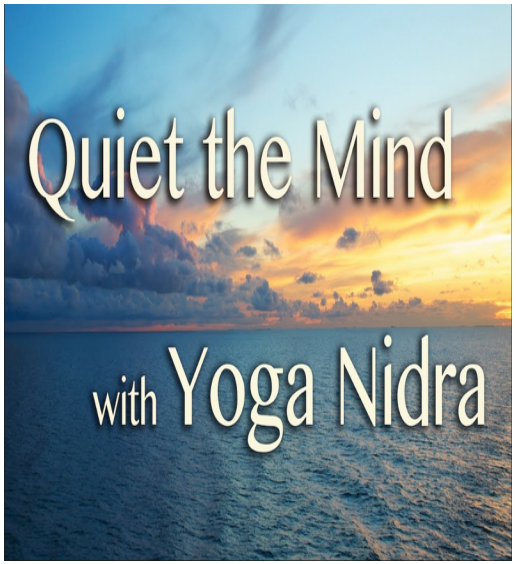
Value of Life Yoga

Yoga Nidra

Sleep That Awakens The Soul

What it is?

Yoga Nidra, is an ancient practice that gives individuals a way to “take control of their our own lives, and promote personal health and wellness.” The name itself means Yogic Sleep in Sanskrit, and is believed to create an altered state of consciousness that allows a person to relax and heal.



Learn to Quiet Your Mind

As part of Fort Campbell’s Value for Life Awareness Month, Family Nurse Practioner, Teresa Floyd will be offering Families a chance to experience Yoga Nidra, and learn the basic relaxation techniques to reduce stress, and increase coping skills.

When: 24 September 0900
Where: Freedom Fighter Gym
Cost: Free

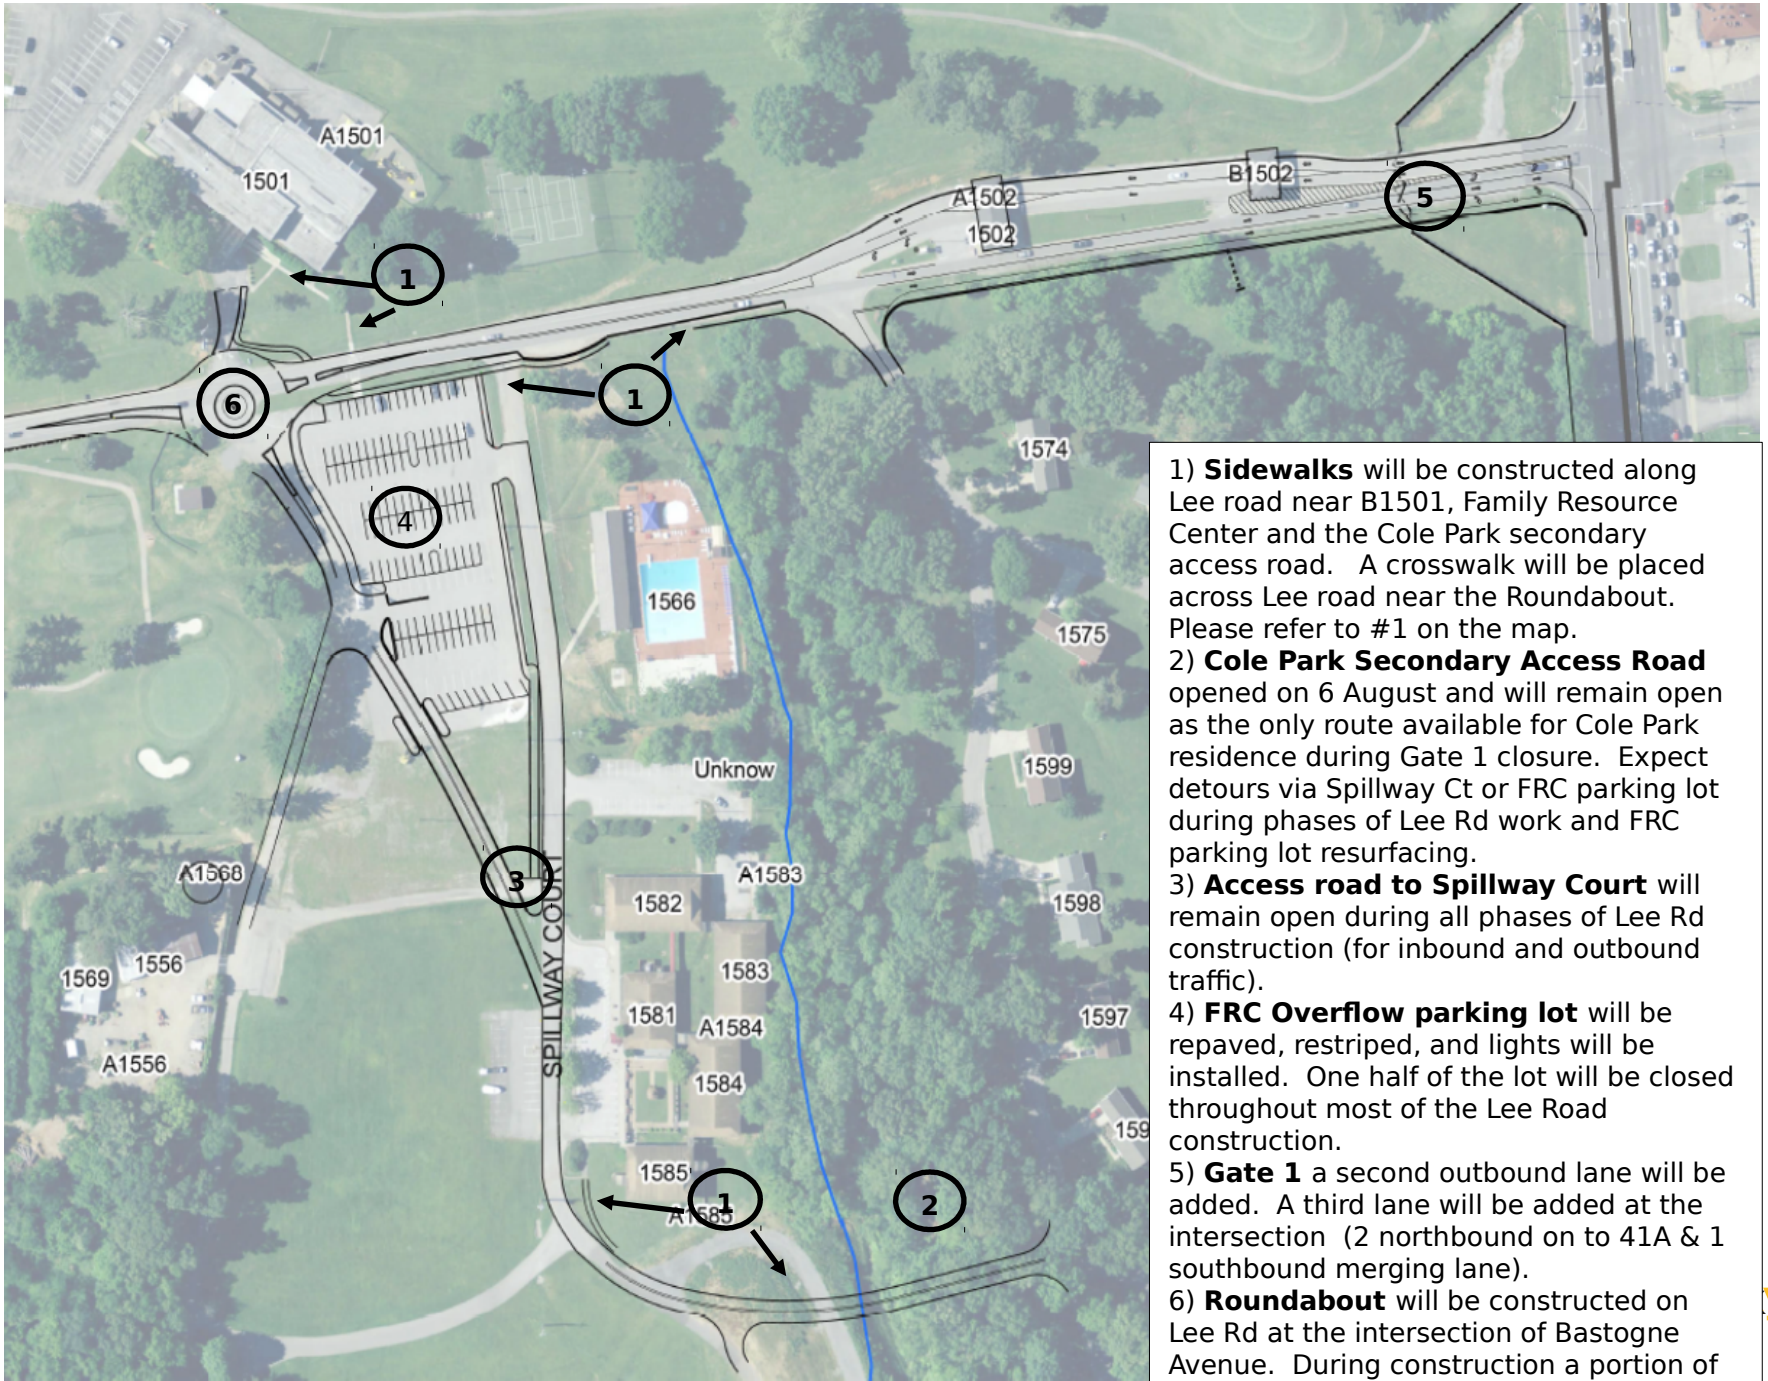
Update on Lee Road Widening Projects

Mr. Duttweiler

Director of Public Works

270-798-9700



1) **Sidewalks** will be constructed along Lee road near B1501, Family Resource Center and the Cole Park secondary access road. A crosswalk will be placed across Lee road near the Roundabout. Please refer to #1 on the map.
2) **Cole Park Secondary Access Road** opened on 6 August and will remain open as the only route available for Cole Park residence during Gate 1 closure. Expect detours via Spillway Ct or FRC parking lot during phases of Lee Rd work and FRC parking lot resurfacing.
3) **Access road to Spillway Court** will remain open during all phases of Lee Rd construction (for inbound and outbound traffic).
4) **FRC Overflow parking lot** will be repaved, restriped, and lights will be installed. One half of the lot will be closed throughout most of the Lee Road construction.
5) **Gate 1** a second outbound lane will be added. A third lane will be added at the intersection (2 northbound on to 41A & 1 southbound merging lane).
6) **Roundabout** will be constructed on Lee Rd at the intersection of Bastogne Avenue. During construction a portion of

Timelines – Lee Road Improvements

- 7 Sep 15—Estimated start date for construction of Roundabout.
- 14 Sep 15—Estimated start date for construction at Gate 1.
- 28 Sep 15—Gate 1 closes for approx. 60 days with operational hours transferred to Gate 2.
    - a. Weekdays: 0430-2100 b. Weekends: 0630-2100
    - c. DONSA: 0430-2100 d. Holiday: 0430-2100
- 28 Sept 15—Widening of Lee Rd from Bastogne to 101st Airborne Rd. - majority of paving expected to be completed.
- 30 Nov 15—Estimated date for completion of Roundabout, FRC overflow parking lot, and Gate 1.
- 1 Dec 15— Gate 1 reopens

Hunting Safety

Mike Gorham

Outdoor Recreation Director

(270) 798-4630

Attention Hunters!

Hunting season is quickly approaching, in some cases it may already be here.
Let's go over some helpful safety rules.

Fort Campbell, Kentucky

HUNTING SAFETY

- Never take a hasty shot - Be sure of your target and what is beyond it…
- Never allow debris to collect in the barrel of your weapon (could damage the barrel and cause serious injury).
- Positively identify your target! Don’t fire at a movement, a noise, a flash of color or into a rustling bush.
- Always let someone know where you will be hunting and when you intend on returning.
- Ensure you have water and food. Even for day trips.

- Dress in layers for warmth and watch local weather reports for the days you will be hunting.
- Dress to be seen by other hunters (i.e. bright orange hat and vest).
- Never attempt to cross a fence, ditch or other obstacle
  while holding a weapon with a chambered round. If you bump or drop it could discharge!
- "**<u>Always</u>**" treat your weapon as if it were loaded.
- Check your local laws to see if a hunter's safety Course is required.

HUNTING SAFETY

There is a Hunter's Education and Safety Class being offered at the Smokehaus at Sportsman's Lodge on 5 September. This will allow hunters to obtain their Hunter's Education Certification which is **required to hunt on any military installation**. The class starts at 0700 and ends at 1600. The course will include classwork and live fire portion of the course at the skeet range. There is no cost for the course, but pre-registration is required.

Information about hunting on Fort Campbell is available at:

www.register ed.com/programs/kentucky

Aim To Be SAFE!

Fort Campbell Rear Area Safety

- Everyone going into the Rear Area of Fort Campbell must obtain a permit and Area Assignment from Outdoor Recreation prior to their outing.

- If you are a runner, cyclist or walker, on or off post, please be aware of where you are, and wear reflective and brightly colored clothing, when travelling main roads, especially during hunting season.

- Entering Fort Campbell Training Areas for any type of recreational activity is prohibited without an Area Assignment.
